TALK IT OVER

Talking through the message during the week can really help clarify the things that God is teaching you and let others learn from your experiences. Get with someone this week and talk about your answers to the following questions:

What thought from the message was most helpful to you?

How do you understand the fullness of God? In what way do you see God's fullness in Jesus?

Have you ever found yourself trying to find fullness in something other than Jesus?

Does seeing Jesus as the one who is in and over all things change the way you view and interpret your own circumstances?

In what ways do you *currently* participate in bringing redemption to the world? In what ways could you grow in this manner?

How does Jesus' relationship with power influence the way that you wield power in your own life?
