TALK IT OVER

Talking through the message during the week can really help clarify the things that God is teaching you and let others learn from your experiences. Get with someone this week and talk about your answers to the following questions:

What thought from the message was most helpful to you?

How would it affect you if you found out the Christian you admire most was praying Colossians 1:9-14 for you? What part of the prayer do you most need? (Ask someone to pray specifically for you this week about that.)

In your experience, what relationship have you found between growing in knowledge of God and a life that truly reflects Jesus?

How do you regularly draw your strength from God in living for Him?

In Col 1:12-14 Paul gives at least five images of the gospel. Which one speaks most to you? How does daily focusing on the gospel affect your perspective on you and others?

Pray this week that what Paul had heard about the Colossians would be said of you and Sunridge.

What questions remain for you about Colossians 1:9-14?
