## TALK IT OVER

Talking through the message during the week can really help clarify the things that God is teaching you and let others learn from your experiences. Get with someone this week and talk about your answers to the following questions:

What thought from the message was most helpful to you?

How has Sunridge helped you find or follow Jesus?

What's the best thing about Sunridge to you?

How have you seen people miss the mark of being balanced in helping people find *and* follow Jesus? How have you been imbalanced in your pursuit of the mission?

In what ways are you contributing to the mission of *Helping people find and follow Jesus*? How can people pray for you to take the next step toward being more mission-oriented?

What questions remain for you about how to follow Jesus in His mission?

Close out your group meeting by praying for Sunridge to be focused on the mission God has given us.
