TALK IT OVER

During the Deeply Rooted series we've asked all of our groups to follow the Rooted curriculum. For those unable to participate in Rooted at this time, we offer the following questions to prompt dialogue with those you can connect with.

Describe the difference for you in going to church versus going to *your church*.

What makes you feel like you belong at Sunridge? How long did it take for you feel like you belong and what contributed to that?

How does missing church for three weeks in a row (or more) affect you?

How is Sunridge helping you grow? How are you helping others grow?

At Sunridge, who knows you well enough to know that something was going on with you? How have you reached out to someone in the past who needed some help?

What step are you willing to take to be known or needed more at Sunridge?

What questions remain for you about church?
