TALK IT OVER

Talking through the message during the week can really help clarify the things that God is teaching you and let others learn from your experiences. Get with someone this week and talk about your answers to the following questions:

What thought from the message was most helpful to you?

In what ways have you seen the *Cycle of Judges* play out in your life?

What is most difficult for you to truly believe about how God believes in you?

What is God asking you to accomplish with your life? In what ways do you feel like an "underdog" in regard to that?

In what ways has your thinking been faulty in the past? (like Gideon's)

What are you learning about God from the message?

What questions remain for you about when life seems bigger than you?
