TALK IT OVER

Talking through the message during the week can really help clarify the things that God is teaching you and let others learn from your experiences. Get with someone this week and talk about your answers to the following questions:

What thought from the message was most helpful to you?

What lies have you believed about temptation in the past?

In what ways have you protected yourself from allowing sin to gain a foothold in your life?

In what ways has overconfidence toward temptation been a problem for you?

What is God teaching you about temptation?
