TALK IT OVER

Talking through the message during the week can really help clarify the things that God is teaching you and let others learn from your experiences. Get with someone this week and talk about your answers to the following questions:

**Narrative Questions for Bible Narratives:**

**Why do you think this was important enough for Luke to write this down?**

What did he want us to know?

**What do we learn about God?**

What beliefs are reinforced? What beliefs are being reframed or even rejected? How are you surprised by God in this narrative?

**What do we learn about people in the narrative?**

How are they like us? How are they different?

**What does it tell us about the central story of Jesus and his resurrection?**

**What do we learn about following Jesus?**

*How are we becoming a people who have people for the sake of other people?*

For next week, read Luke 19:28-21:38. Also, we invite you to [check out our Holy Week activities](#), which begin next week on Palm Sunday.
