WHOLENESS SHATTERED

**The whole world has been
by sin.**

Gen 3:1-4

Adapted from Bryant L. Myers, *Walking With The Poor: Principles and Practices of Transformational Development*
Gen 3:8-10; Jer 17:9; Matt 6:23; James 1:16

The wholly shattered must be _____
through the _____.

The whole gospel proclaims that we must
repent of our individual sin
_____ that Jesus did.

Jesus said, "It is not the healthy who need a doctor, but the sick." (Matt 9:12)

Therefore, if anyone is in Christ, the new creation has come: The old has gone, the new is here! All this is from God, who reconciled us to himself through Christ and gave us the ministry of reconciliation: that God was reconciling the world to himself in Christ, not counting people's sins against them. And he has committed to us the message of reconciliation. We are therefore Christ's ambassadors, as though God were making his appeal through us. We implore you on Christ's behalf: Be reconciled to God. (2Cor 5:17-20)

TALK IT OVER

Talking through the message during the week can really help clarify the things that God is teaching you and let others learn from your experiences. Get with someone this week and talk about your answers to the following questions:

What thought from the message was most helpful to you?

In what ways do you see the consequences of sin affecting our world today?

In what ways have you embraced false or half gospels? How has that affected your perspective of the gospel?

How can Sunridge embrace the John Stott statement in the Lausanne Covenant?

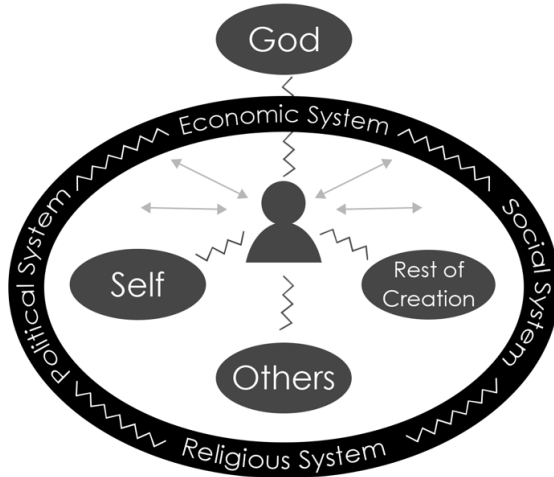

Take time this week to google & read the Lausanne Covenant.

What is God teaching you about being made whole?
