Jochebed – Exodus 1-2

1. Are your biggest challenges to faith due to your circumstances, fear or need for certainty?
2. In your opinion, when can fear be a good emotion? In what ways can it be “bad?”
3. The Israelite midwives acted together in civil disobedience. When do you think a Christian should refuse to follow authority? How does the disobedience of the midwives sync with Romans 13?
4. Do you think that it was part of God's plan for Moses to grow up in the Pharaoh's palace? What good came of his being separated from his family?
5. Read Ex. 2:4-7. Do you think Moses' sister was interfering with God's plan or contributing to it? At what point should a Christian give control to God or intervene as part of his plan?

Where is your faith being challenged right now?
