Questions, Thoughts, Notes:

TALK IT OVER

Talking through the message during the week can really help clarify the things that God is teaching you and let others learn from your experiences. Get with someone this week and talk about your answers to the following questions:

What is God teaching you from reading Psalms?

What are you learning about yourself from Psalms?

What questions is Psalms bringing up for you?

What things do you feel are getting in the way from what God wants to do in you?

What is the biggest thing causing you concern these days?
